Mutual Service Measured in Millions

During the year 1923 the Mutual Life of Canada disbursed in Mutual Benefits $5,369,743.00. Since the Office opened in 1870 the Company has paid out $47,108,707.00. To-day the Mutual holds a reserve to guarantee future claims of $59,383,426. Thus the total either actually paid or held in trust amounts to $106,492,133.00.

Be a Mutualist and Share in the Prosperity of the Company.

Write for this BOOK ON LAWNS AND GREENS

Free to green keepers and others who desire the latest information on the building of a new Club Green or renovating an old lawn.

We quote Special Prices to Clubs, Institutions, Parks and others who require seed in large quantities.

LAWNs AND GREENS

It is most important that the lawn should be sown with a mixture of grass seeds especially adapted for the purpose required. A mixture suitable for a Park or Golf Course would be quite unfit for a private lawn, Bowling or putting greens. All the finest grasses that are most suitable for the formation of a lawn when grown for seed, produce very much less weight of seed per acre than do the coarser growing varieties, consequently the cheaper the mixture the coarser the turf. We maintain that the finest dwarf growing grasses are the most economical even for large areas, as the turf formed by the dwarf compact habit of the finest grasses requires to be mown only about half as many times as a turf formed of coarser growing varieties.

WATERLOO, the “HARTFORD of CANADA”

The beautiful town of Waterloo is situated in one of the most prosperous and wealthy counties in the Dominion. A hundred and eighteen years ago, the original forest was cleared by sturdy settlers from Pennsylvania, and successive generations of these people, industrious and thrifty, have transformed the wilderness into a fertile garden. The natural scenery has for its chief feature the Grand River, which winds its way through the rolling country, affording some of the most restful and charming river views it is possible to imagine. The scenery is such as artists love and several have found a temporary or permanent residence in Waterloo County, including such painters as Chaloner and Watson.

The town of Waterloo has a population of about six thousand. German is still spoken by a few, but year by year English wins its way, and within a short time will probably become universal, being at once the language of the country and the language of commerce. The Dutch and German settlers had industrial geniuses among them, or have attracted them from abroad, for both Kitchener and Waterloo are the headquarters of numerous manufacturing concerns. In Waterloo there are several furniture factories, one of which, the ‘‘Globe,’’ makes a specialty of ecclesiastical furniture, employing artists of outstanding ability. Agricultural implements and tractors, boots and shoes and mattresses are also manufactured. The famous Snyder flour mills was one of the earliest industries established and is still flourishing.

The feature that will probably distinguish Waterloo for all time is its insurance offices. Away back in 1868 the Waterloo Mutual Fire Company was organized, and as the years have passed other companies have been formed until to-day Waterloo is known over the whole continent as the “Hartford of Canada.” Nearly a hundred millions of assets is represented in the holdings of the various companies.

In addition to its agricultural surroundings and industrial and financial features, the town is remarkable for its beautiful homes, surrounded by well kept lawns and gardens. The people are pre-eminently domestic and home loving. They are characterized also by an exceptional fondness for flowers. The Horticultural Society flourishes with a membership of nearly one thousand, and in summer the gardens, lawns and verandahs are charming to see. While the highest standard is appreciated, and the Waterloo Musical Society’s band, under the direction of Professor Thiele, is known far and wide.

A list of the Financial Institutions located in “The Hartford of Canada,” with a Dominion-wide reputation, includes the following:

- The North Waterloo Farmers Mutual Fire Co.
- The Re-insurance Co. of Canada
- The Ontario Equitable Life and Accident Co.
- The Dominion Life Insurance Co.
- The Waterloo Mutual Fire Insurance Co., and
- The Mutual Life Assurance Co. of Canada.

Other institutions are:
- The Waterloo Trust and Savings Co.
- The Chartered Trust Co., and
- The Merchants Casualty Company.
