THE RULES:

- There may be no assistance from audience members.
- The moderator's decision will be final in the case of any questionable answer.
- Teams will not be penalized for incorrect answers; in other words, points will not be deducted for incorrect responses.
- All decisions made by the Reading Rumble Committee are final.
- Keep in mind this is a fun event. We like a little competition, but please be respectful of all players, and moderators. Only playful banter will be permitted.
- If a team **disagrees with the moderator's initial ruling** on an answer, the team may challenge the ruling immediately after the Regular or Individual question (or immediately after the end of the Lightning Rumble). A team may only challenge rulings on its own answers. Moderators will either confirm their original ruling or may provide a randomly selected substitute question.
- **In the event of a tie**, each team in the tie-breaker will be asked extra Lightning Rumble questions. The spokesperson must provide one correct answer within twenty seconds. No guesses will be allowed and an incorrect answer will result in elimination. The last team standing wins the tie-breaker round.
