### What is Road to IELTS General?

[Road to IELTS General](#) is an online learning platform that helps users prepare for the IELTS General English exam. IELTS stands for International English Language Testing System, and it is the most popular English proficiency test. The test assesses everyday English language skills needed in social situations and workplace environments. Language learners can take this test for immigration, work experience, training, or studying at below-degree level.

Learners will find interactive exercises, expert advice, practice tests and more, all organized into the four parts of the IELTS test: Reading, Listening, Speaking, and Writing. There are videos with instructions, test advice from experts and test takers, as well as timed practice tests and study guides.
